

## Help Us Support Healthy Marriages and Relationships

This is your chance to join an exciting and dynamic Catholic organisation, to use and develop your skills in a rewarding role and to support couples, families and society.

Marriage Care are recruiting Trustees to join us in enabling the vital relationship support services we provide to the Catholic community and beyond. We would particularly welcome applicants who hold experience in one or more of the fields to the right.

## The Tablet Readers' Appeal

It has been nearly four months since we first asked for your help in a number of projects that will secure *The Tablet's* place at the centre of the global conversation around contemporary Catholicism.

We have talked about our plans for the continued curation of our 179-year-old archive and the development of teaching aids to help students and researchers explore its vast cache of material, the re-vamping of our online offering and the deepening of our journalistic presence in several new locations.

We are delighted that these projects, financed under the umbrella of the development fund, have resonated so powerfully with so many of you. The response to the appeal has been magnificent. It is so reassuring to know that our values and vision are as relevant today as they have ever been. Thank you again for your support and friendship.

It is not too late to make a donation to the development fund. More more information on all the projects you are helping to finance can be found at [www.thetablet.co.uk/developmentfund](http://www.thetablet.co.uk/developmentfund).
