**What's in a bar of soap?**

Most soap is made from a cocktail of chemicals in a cheap fat heavily scented with synthetic fragrances.

Ours is not at all like that. The substance of our soap is expensive active vegetable oils – such as **neem oil** from the neem tree, known for centuries for its amazing healing properties for skin and wellbeing.

No sodium lauryl sulfate, no triclosan, no antibacterial chemicals, no ammonium, no animal fats. The **sandalwood** is authentic powder and oil from the tree – a natural energizer. Triple-milled; rich in glycerene.

**Neem or sandalwood soap.  
 True wholesome soap like no other.**

Here's your opportunity to try it. For only **£16** you can order 4 generous bars, including free postage in UK. For speedy service, order at **Onevillage.com** – where other ideas await!

Each bar 125gr.
