What's in a bar of soap?

Each
bar
125gr.

Most soap is made from a cocktail of chemicals in a cheap fat heavily scented with synthetic fragrances.

Ours is not at all like that. The substance of our soap is expensive active vegetable oils – such as **neem oil** from the neem tree, known for centuries for its amazing healing properties for skin and wellbeing.

No **sodium lauryl sulfate**, no **triclosan**, no **antibacterial chemicals**, no **ammonium**, no **animal fats**. The **sandalwood** is authentic powder and oil from the tree – a natural energizer. Triple-milled; rich in glycerene.

Neem or sandalwood soap.
True wholesome soap like no other.

Here's your opportunity to try it. For only **£16** you can order 4 generous bars, including free postage in UK. For speedy service, order at **Onevillage.com** – where other ideas await!
